About Me

Who I Am

I'm a passionate web developer with a keen interest in creating user-friendly and visually appealing websites. With a background in computer science, I love solving problems and bringing ideas to life through code.

My goal is to build seamless digital experiences that make a difference. In my free time, I enjoy exploring new technologies and contributing to open-source projects.

Skills

- HTML
- CSS
- JavaScript
- Tailwind CSS
- React
- Git
